

ACA

ARIZONA CHARTER ACADEMY

*THE ACA
WEEKLY
OUTLOOK*

ACA foresees brighter days ahead come the months of March, April, and May, vaccines are becoming available for educators and ACA staff; warmer days are coming, and we are looking forward to the future. Take a look at our recap of the first semester and all of the REALLY GOOD things that took place below in our “ACA Prospering in the Midst of a Pandemic”. However, we have all known this January and February will continue to challenge our ability to stay positive and support our students’ emotional and academic well-being. I know all of us are trying to push through our own emotions of what has been a surreal journey, which continues to test every ounce of our ability to stay positive. The recent events on Capitol Hill, the rapid increase of COVID-19 cases, coupled with hope and uncertainty of the vaccine continues to test our human nature.

We are continually monitoring and evaluating the decision on the length of time ACA will remain in distance learning. Most districts have announced to expect an update anywhere from 1/12-1/15. ACA wants to provide an update sooner than later for everyone in order to better plan. These decisions are difficult at best. As of today, the state continues to provide guidance but refuses to give mandates. **ACA is anticipating remaining in distance learning through at least Friday, January 22nd.** Currently Arizona is number one in the world for positive cases, all of the metrics are red for the county, and local zip codes including the local school districts.

We know as families you need to have time to plan. We will continue to monitor the health metrics in our area and we ask families to continue to report in positive cases as it relates to your ACA student.

We are grateful for each and everyone of you during these times!

Weekly Outlook: January 11th - 15th

Monday

COVID Hotline Reporting

We want to encourage and ask for everyone’s help to report in positive cases as it relates to your student who attends ACA. As we approach to return to school, a key factor in determining our back to on-site learning is the number of members who are testing positive. The data helps us to ensure we are making the safest decision for our community.

Here is what we can do to create a safe environment:

- Call the Covid hotline 623-974-4959 option 9 and report if a student has tested positive all reports are confidential.
- If a student is experiencing symptoms (cough, sore throat, fever, stomach issues, etc.) call the Covid hotline, we will work together to determine next steps or fill out this form [HERE](#).
- If a student has taken a test and waiting results please call the Covid hotline or fill out this form [HERE](#).

Grab and Go Meals

Grab and Go Pick Up Available: Monday-Friday 7-10

Delivery available Monday and Wednesday

Open Enrollment Continues!

Parents, if you have a child entering into kindergarten next year, NOW is the time to apply for them. www.azcharter.com/apply

\$\$ Bulldog Bucks \$\$

Also, tell your friends, neighbors and families about us! You get BULLDOG BUCKS for every family that enrolls and attends. Bulldog Bucks can go towards purchasing uniforms, spirit shirts, hoodies and yearbooks.

Thank you and have a wonderful, ACA Week!

ACA prevé días más brillantes por venir los meses de marzo, abril y mayo, las vacunas están llegando a estar disponibles para los educadores y el personal de ACA; los días más cálidos están llegando, y estamos esperando el futuro. Sin embargo, todos hemos sabido que este enero y febrero continuarán desafiando nuestra capacidad de mantenernos positivos y apoyar el bienestar emocional y académico de nuestros estudiantes. Sé que todos estamos tratando de superar nuestras propias emociones de lo que ha sido un viaje surrealista, que continúa poniendo a prueba cada onza de nuestra capacidad de mantenernos positivos. Los recientes acontecimientos en Capitol Hill, el rápido aumento de los casos COVID-19, junto con la esperanza y la incertidumbre de la vacuna, siguen poniendo a prueba nuestra naturaleza humana.

Estamos continuamente monitoreando y evaluando la decisión sobre el tiempo que la ACA permanecerá en el aprendizaje a distancia. La mayoría de los distritos han anunciado esperar una actualización en cualquier lugar del 1/12-1/15. ACA quiere proporcionar una actualización más pronto que tarde para que todos puedan planificar mejor. Estas decisiones son difíciles en el mejor de los casos. A partir de hoy, el estado sigue proporcionando orientación, pero se niega a dar mandatos. **ACA está anticipando permanecer en el aprendizaje a distancia por lo menos el viernes 22 de enero.** Actualmente Arizona es el número uno en el mundo para casos positivos, todas las métricas son rojas para el condado, y códigos postales locales, incluyendo los distritos escolares locales.

Sabemos como familias que necesita tener tiempo para planificar. Continuaremos monitoreando las métricas de salud en nuestra área y pedimos a las familias que continúen reportando en casos positivos en lo que se refiere a su estudiante de ACA.

Sontamos agradecidos por todos y cada uno de ustedes durante estos tiempos!

Perspectiva Semanal : Enero 11 - 15

Lunes

WIN Día

Comienzan el Liderazgo, el Anuario y el Club Interact

Martes

Aprendizaje a distancia a tiempo completo en línea

- THOUGHTFULNESS

ACA

Informes de la línea directa COVID

Queremos alentar y pedir la ayuda de todos para informar en casos positivos en lo que se refiere a su estudiante que asiste a ACA. A medida que nos acercamos para regresar a la escuela, un factor clave para determinar nuestra espalda con el aprendizaje en el sitio es el número de miembros que están haciendo pruebas positivas.

Los datos nos ayudan a garantizar que estamos tomando la decisión más segura para nuestra comunidad.

- Llame a la línea directa de Covid 623-974-4959 opción 9 e informe si un estudiante ha dado positivo todos los informes son confidenciales.

- Si un estudiante está experimentando síntomas (tos, dolor de garganta, fiebre, problemas estomacales, etc.) llame a la línea directa de Covid, trabajaremos juntos para determinar los siguientes pasos o llenar este formulario [AQUI](#).

- Si un estudiante ha tomado un examen y los resultados de espera por favor llame a la línea directa de Covid o llene este formulario [AQUI](#).

Grab and Go abierto

Grab and Go Pick Up Disponible: Lunes- Viernes 7-10

Entrega disponible Lunes y Miércoles
