

	Math	ELA	Science	Social Studies	Humanities
MON 10/27	<i>Student will begin the day with a 2nd Step Lesson related to Emotions and review Mission 2 content.</i>	Close read	<u>ADE Unit 1 Lesson 1</u> We will investigate the following question: Sometimes we can not see the moon at all, it seems to disappear. Why is this?	NO SOCIAL STUDIES	Continuation from last week Read to determine if animals can have friendships Reading log 10 is due. Reading log 11 will start
TUES 10/28	<i>Mission 2 Lesson 24: Divide decimal dividends by multiples of 10, reasoning about the placement of the decimal point and making connections to a written method.</i>	Students will wrap up the Maya, Inca, and Aztec unit and compare ancient myths.	No Science	Continue Cultural Region Project	Close read: "Chimpanzees stress level lowers when a pal is around, new study shows." Students are expected to work on reading log 11
WED 10/29	<i>Mission 2 Lesson 25: Use basic facts to approximate decimal quotients with two-digit divisors, reasoning about the placement of the decimal point.</i>	Students will complete the Unit 2 assessment.	<u>ADE Unit 1 Lesson 2</u> Students will investigate how moon phases occur through a simulation.	NO SOCIAL STUDIES	Identify the main idea and summary of the close read. Students are expected to work on reading log 11
THURS 10/30	<i>Mission 2 Lesson 26: Divide decimal dividends by two-digit divisors, estimating quotients, reasoning about the placement of the decimal point, and making connections to a written method.</i>	Students will begin poetry unit and read "To the Snake".	No Science	Continue Cultural Region Project Presentation: Attendance required for grading	Explain the use of the graphic images associated with the assigned reading. Students are expected to work on reading log 11
FRI 10/31	<i>Mission 2 Lesson 27: Divide decimal dividends by two-digit divisors, estimating quotients, reasoning about the placement of the decimal point, and making connections to a written method.</i>	Students will begin lesson 2 and read the poem "This is Just to Say".	<u>ADE Unit 1 Lesson 3</u> Students will synthesize their learning of moon phases by rotating through stations and completing their post unit quiz.	NO SOCIAL STUDIES	Assessment: Alpacas reward farmers hard work with fleece and friendship Students are expected to work on reading log 11
