

5 th	Week at a Glance: Aug 24 - Aug 28					A	B	Subject Color = Folder Color
	Math	Math Mastery	ELA	Science	Social Studies	Humanities		
MON 8/24	Mission 1 Lesson 10 - Subtract decimals using place value strategies, and relate those strategies to a written method. Homework - complete 1 digital ZEARN lesson.	No Math Mastery	Students will complete lesson 8 and discuss using evidence to support point of view of a character in, “Hello, My Name Is.”	No Science	- Identify the different types of financial services. - What are the benefits and limitations of the different institutions	SPO - Single Paragraph Outline -Write a topic sentence -Find 2-3 details -Write a conclusion sentence		
TUES 8/25	Mission 1 Lesson 11 - Multiply a decimal fraction by single-digit whole numbers, relate to a written method through application of the area model and place value understanding, and explain the reasoning used. Homework - complete 1 digital ZEARN lesson.	Lesson 5: Reasoning about Powers of 10 Students will be able to explain patterns when multiplying and dividing whole numbers and decimals by powers of 10 using place-value relationships.	Students will begin to discuss different tones and why they matter in reading and writing.	<u>AF Unit 1 Lesson 5</u> Students will dive deeper into how phase changes occur. Navvy Quiz Today No Homework Want to learn more? Click <u>HERE!</u>	No Social Studies	No Humanities		
WED 8/26	Mission 1 Lesson 12 - Multiply a decimal fraction by single-digit whole numbers, including using estimation to confirm the placement of the decimal point. Homework - complete 1 digital ZEARN lesson.	No Math Mastery	Students will continue discussing tone while looking at two different personal narratives and comparing.	No Science	- Identify the different types of payments - Credit vs Debit card - Checking's account vs Savings account	Poetry: “On Friendship” -Main Idea -Summary -Inference		
THURS 8/27	Mission 1 Lesson 13 - Divide decimals by single-digit whole numbers involving easily identifiable multiples using place value understanding and relate to a written method. Homework - complete 1 digital ZEARN lesson.	Lesson 6: Reasoning About Decimal Forms and Representations Student will be able to read, write, and represent decimals through thousandths in multiple forms and explain how the forms are equivalent.	Students will discuss how the use of similes and metaphors can strengthen writing and how to use them correctly.	AF Unit 1 Lesson 6 Students will understand the properties of gases. No Homework Want to learn more? Click <u>HERE</u> Coming soon.. Test next week	No Social Studies	No Humanities		
FRI 8/28	Mlssion 1 Lesson 14 - Divide decimals with a remainder using place value understanding and relate to a written method. Homework - complete 1 digital ZEARN lesson.	No Math Mastery	Students will discuss close reading strategies to strengthen their reading comprehension.	No Science	- Sub will be in class - Students will take a test to review what they have learned so far this quater	Poetry: “On Friendship” -Determine the meaning of words -Parts of speech
