

5 th	Week at a Glance: Aug 31 - Sept 4					A	B	Subject Color = Folder Color
	Math	Math Mastery	ELA	Science	Social Studies	Humanities		
MON 8/31	Mission 1 Lesson 14 - Divide decimals with a remainder using place value understanding and relate to a written method. <u>Homework: 1 digital ZEARN lesson!</u>	Lesson 6: Students can read, write, and represent decimals through thousandths in multiple forms and explain how the forms are equivalent.	Students will continue to understand similes and metaphors in lesson 10.	Small Group and Class Reteach Students will work 1-1 with the teacher to review any misconceptions. Students will also have time to work through additional learning opportunities and complete unfinished work.	No Social Studies	No Humanities		
TUES 9/1	Mission 1 Lesson 15 - Divide decimals using place value understanding, including remainders in the smallest unit. Homework: 1 digital ZEARN lesson!	No Math Mastery	In lesson 11, students will practice close reading strategies to aid in comprehension.	No Science	• Pros and Cons of different types of payments ◦ Cash, Credit, Debit, Checks, and more	Students will identify the text structure of “Spending Time with Good Friends”, write a main idea using the appropriate sentence frame, add key details to create an objective summary, and use their main idea and summary to answer questions about the story.		
WED 9/2	Mission 1 Lesson 16 - Solve word problems using decimal operations. <u>Homework: 1 digital ZEARN lesson!</u>	Lesson 7: Students can compare two decimals through thousandths and justify their comparison using place value, models, and mathematical language.	Students will practice using sensory description in writing a personal narrative.	<u>AF Unit 1 Lesson 7</u> Students will review for their exam on Friday. Homework: Study for Exam Want to learn more? Click <u>HERE!</u>	No Social Studies	No Humanities		
THURS 9/3	Students will prepare for an assessment to check for understanding and mastery of Mission 1 skills/content!	No Math Mastery	Students will conitnue to discuss point of view as we continue reading personal narratives.	No Science	• Community Work ◦ Students are grouped and come up with ideas for a new building in their city ◦ What should the building be for? How will we raise money?	Students will use the text structure of the poem “On Friendship” to determine its main idea and write an objective summary.		
FRI 9/4	Students will take an assessment to check for understanding and mastery of Mission 1 skills/content	Lesson 8: Students can round a decimal to a designated place and explain their decision using benchmarks, distance, and a number line.	Lesson catch up and reflection	<u>AF Unit 1 Lesson 8</u> Students will complete their unit exam. No Homework Want to learn more? Click <u>HERE!</u>	No Social Studies	No Humanities
